5.1 EXECUTIVE COMMITTEE – reported by Brother William Mann, FSC

Three major issues that the President discussed with the Executive Committee included: stressed enrollment, tight budget, and volatile endowment. Some of the focus points included, among other things, recruitment and retention, our Wiley initiative, advancing our Rochester initiative at Cascade Meadow, implementation of the 4Rs initiative, and the success of our fundraising activities with relation to the Capital Campaign.

5.2 UNIVERSITY MISSION AND TRUSTEES COMMITTEE - reported by Mary Ann Remick

A resolution was brought forth concerning the appointment of Brother Nick Gonzalez as a new trustee with his term commencing in May 2016. (Official Resolutions 2.2)

5.2 UNIVERSITY DEVELOPMENT AND ALUMNI RELATIONS COMMITTEE – reported by Mr. Terry Russell

Joe Kolar has rejoined the development staff working with the First Generation Initiative and Lasallian Formation. Dominic Lawrence has transferred to working with the Kabara Institute and the Capital Campaign. Highlights of the development report include quality visits being up. In reviewing the major gift pipeline, currently there is $5.6 million dollars in pending gifts, prospective of $12.6 million and declined gifts of $3 million. With regard to our annual goal of $10 million dollars, currently we are at $6 million including the Saint Mary’s Fund which is at $558,000 with a goal of $820,000. From an alumni perspective, we hosted great events in Naples, Florida, Washington, D.C., and Phoenix, AZ. All events were well attended. The steering committee for the Capital Campaign meets monthly. Currently we are at just under $36 million with a goal of $57 million. The committee hopes to go public with the campaign on Founders’ Day. A video for the science center was viewed by all the trustees and guests. Dr. John Domanico mentioned that the Saint Mary’s University Science Gala will be held in Chicago on May 21, 2016.

5.3 UNIVERSITY STUDENTS AND ADMISSION COMMITTEE – reported by Mr. Michael Dougherty

The Finance and Facilities committee met jointly with the Students and Admission committee to review the planning and design summaries for a new residence hall on the Winona campus. Recommendations will be made pending funding. Gina Bilden and John Pyle reported on the admission stats for both campuses. SGPP online programs experienced growth in new student enrollment and credit hours, but we failed to reach our goals with the on-ground programs. Inquirants and applications are up for 2016 as per John Pyle. The committee endorsed a long-term plan for a pricing strategy for the residential college. Tim Gossen and Chris Kendall reported on campus safety and emergency preparedness as protocols are being instituted on both campuses.
5.4 UNIVERSITY FINANCE AND FACILITIES COMMITTEE – reported by Ms. Mary Burrichter

Our investments with Northern Trust were discussed. Short term investments were reported as volatile. There are no plans to make any changes with regard to our long term investments. The budget for 2016-17 was discussed and a resolution was brought forth mandating the administration to operate within the requirements of a balanced budget. (Official Resolutions 2.3) The staff continues to work hard on the implementation of the ERP.

5.5 UNIVERSITY AUDIT COMMITTEE – reported by Ms. Mary Burrichter

There was discussion within the committee about the institution’s 990. Two resolutions were brought forth concerning the audit which was completed by Baker Tilly Virchow Krause, LLP. (Official Resolutions 2.4 and 2.5)

5.6 UNIVERSITY FACULTY AND ACADEMICS COMMITTEE – reported by Ms. Celeste Suchocki

The committee discussed the upcoming visit of the Higher Learning Commission in October and it was felt that we would have a successful visit. The academic review piece of the 4Rs was discussed with grading levels for the academic programs. Programs were graded according to predetermined criteria and were also reviewed by our consultant, Kaludis. Findings from both groups were merged and then given to the President. Due to the Kenyan government starting to take on more responsibilities for their own educational system, Kenya’s Higher Learning Commission has made some changes and put some restrictions on any foreign university coming into Kenya to offer educational services. At the same time our HLC has also made some changes in their expectations as to what universities here need to do to offer any international education. Hence with the changes from both sides, it was felt it was not prudent to continue our educational efforts in Nairobi. A resolution was brought forth outlining the move out of Kenya. (Official Resolutions 2.6) Revisions to our Gen Ed program were discussed and progress is ongoing. A change was made to the Faculty Handbook concerning the removal of the Curriculum Committee from the program approval process. (Official Resolutions 2.7)
