The subject was brought forth since there were eleven absences at the board meeting.

A resolution was brought forth recommending the appointment of Linda Kuczma to another five-year term; Brother Michael McGinniss and Peter Pearson to their first, five-year terms as trustees; and the re-appointment, after a couple of years, of Celeste Suchocki to her third, five-year term on the Board. (Official Resolutions 2.3) Another board assessment, similar to that done last year and discussed at the February Trustee meeting, will be done sometime in the near future. 5.3 **UNIVERSITY ADVANCEMENT COMMITTEE** – reported by Mr. Walter Smithe

Bill Herzog was thanked for his service on the Board and the Advancement Committee. After careful review of the feasibility study and accompanying documents, a resolution was brought forth concerning the capital campaign. (Official Resolutions 2.7) There was a report on the progress for fiscal year 2014 goals. Thus far we have secured $18.6 million towards our goal of $8 million, much of this already prefunding for the campaign. Saint Mary’s Fund is currently at 80% with $712,000 towards a goal of $900,000. Development staffing was discussed and the committee requested job descriptions for the open positions so that they could offer some assistance with recruiting candidates.

5.4 **UNIVERSITY FINANCE AND FACILITIES** – reported by Ms. Mary Burrichter

Actual revenues and expenditures are tracking well. No changes were recommended to the current budget at this point. The Investment Subcommittee meeting was combined with the Finance committee meeting. Northern Trust gave a presentation to the committee regarding the university’s investments. Northern has been with the university now for two years with goals of increasing the value of the endowment and achieving more diversification while doing so. Both of these goals have been realized and our portfolio, which was valued at $44 million in 2012 is now at $53 million.
5.5 UNIVERSITY STUDENTS AND ADMISSION – reported by Ms. Linda Kuczma

The committee received an encouraging admissions report stating that we are currently 50 students ahead of where we were last year, and the academic profiles of students are also better. We have a budgeted goal of 350 students for next year and believe that goal is now within reach. The efforts of the admissions office in bringing more prospective students to campus and offering increased counseling services to families concerning available financial aid has been beneficial. There were plans for Gilmore Creek residence hall to be closed for next year, but it has since been scheduled for summer renovations and occupancy this fall. SGPP enrollment has been flat for the past three years but progress is being made with online program enrollment. Plans are underway for doctoral students to have internships to provide counseling for our undergraduate students in Winona. The committee reviewed and discussed the Alcohol and Drug policy and how it is being implemented. The Sexual Harassment policy will be reviewed at the October meeting.

5.6 UNIVERSITY FACULTIES AND ACADEMIC COMMITTEE – reported by Mary Ann Remick

The committee reviewed reports from the college and SGPP. An update was given on HLC. The quality initiatives are moving forward. The physical space for the Center for Excellence in Learning and Teaching (CELT) on the Twin Cities campus is in the process of being developed. A task force has been assigned to look into reforming the general education program of the college. Classrooms in Saint Mary’s hall are being updated to be more technologically current and more flexible in their use. The science initiative continues and discussions center around how best to utilize the new space once it is created. A resolution was brought forth regarding the granting of tenure to three candidates. (Official Resolutions 2.8) A second resolution was brought forth by the committee authorizing the awarding of degrees. (Official Resolutions 2.9) The Hendrickson Forum that was held back in April was very well attended with over two million hits to the website seeking information about the event.
