5.1 **EXECUTIVE COMMITTEE** – reported by Brother William Mann, FSC

The Executive Committee was given an overview of significant topics and their ongoing development at the university. Items discussed included, finances, enrollment, Strategic Planning, changes in key personnel, construction and renovation projects both completed and ongoing, mission update, the Higher Learning Commission and the start of our reaccreditation process, the status of current advisory boards, Hendrickson Forum, Science Visioning Task Force, where we are with honorary doctorate candidates, and the annual reappointment of the vice presidents.

5.2 **UNIVERSITY MISSION AND TRUSTEES COMMITTEE**

The committee met via teleconference on September 7, 2012. They discussed the Board assessment completed in 2011 and identified three areas where trustees were seeking more information: the nomination process for Board officers, the nomination process for new trustees, and the evaluation process for the President. The committee reviewed a second draft of the qualifications for the Board Chair. The qualifications now provide that one of the chief expectations of the Board Chair is the potential to make a seven figure gift to the University. The document was to be reviewed and members asked to provide input on it before November 30, 2012. A second draft of the process will be submitted for Board approval in February 2013. The trustee candidate pool was reviewed and work on recruitment continues.

5.3 **UNIVERSITY ADVANCEMENT COMMITTEE** – reported by Mr. Walter Smithe

The committee focused their conversation on the clarification and articulation of the university’s value proposition, the impact, roll-out and marketing of offline programs, broader economic context facing the university, issues highlighted in the recent Moody’s report provided by the MPCC, the role of philanthropy in helping the university to achieve fiscal sustainability over the long term, and implementation of the Strategic Plan. Staffing and resources for University Advancement enabling them to raise $15 million dollars a year were discussed. The staff and volunteer committee were recognized for their outstanding work in planning and executing the Centennial celebration in Chicago on September 22. With over 1,000 attendees, this was likely the single largest gathering of alumni in the history of Saint Mary’s. The Board retreat in France has been confirmed with approximately 30 participants. The Saint Mary’s Fund has exceeded $108,000. Overall fundraising is currently at just under $5.2 million towards a goal of $8 million. Trustee giving was discussed and encouraged. A motion was brought before the board to approve the Gift Acceptance Policy. (Official Resolutions 3.2)
5.4 UNIVERSITY STUDENTS AND ADMISSION COMMITTEE – reported by Brother Michael McKenery, FSC

Chris Kendall, Vice President for Student Life reported on the construction of Bro. Leopold Hall and that students are settling in. There is a positive “buzz” about the facility. Vlazny Hall and some units in Residencia Santiago Miller have been taken offline for renovation, and the Old Village will be phased out over time. Campus Ministry now reports directly to Bro. Larry Humphrey, Director of Mission. Gena Bilden presented the admission report from the Schools of Graduate and Professional Programs. Her report highlighted the Pathways program, veterans and military students, and international students and initiatives. Positive information was shared regarding partnerships, new locations, and programs. Brandi DeFries presented her report on college admission focusing on the freshman class. The committee discussed how we could effectively communicate to the marketplace and individuals who don’t know much about the institution, that Saint Mary’s University is a top-tier university.

5.5 UNIVERSITY FINANCE AND FACILITIES AND UNIVERSITY INVESTMENT SUB-COMMITTEE – reported by Mr. Joe Ross

Last year was a good year at Saint Mary’s with regard to the budget. The institution was in a position last year to make $2 million dollars in capital improvements and put money into the plant fund. This year’s budget was a challenge due to the drop in enrollment. Due to this situation, there will not be any contributions to the Plant Fund and the contribution for capital improvements will be $1 million versus $2 million dollars. Salary increases will be set at 2 ½ % this year, and a resolution was brought forth concerning this increase. (Official Resolutions 3.4) Another resolution was brought before the board relating to the 2012-13 budget. (Official Resolutions 3.5) The total endowment and investment funds held by Northern Trust were reviewed. The transition of our investment funds from CBIS to Northern Trust was successful although CBIS still continues to manage approximately 24% of these funds.

5.6 UNIVERSITY AUDIT COMMITTEE – reported by Mr. Joe Ross

The Audit Committee had a telephonic meeting on September 14th. Joe Ross, Mary Burrrichter and Jim Coogan reviewed the past year with the auditors. The audit was perfectly clean. This year there was a slight challenge with the timeliness of the audit due to staff turnover, but there was no impact on the audit. A resolution was brought forth to approve the audit. (Official Resolutions 3.3)

5.7 UNIVERSITY FACULTIES AND ACADEMIC COMMITTEE – reported by Ms. Mary Ann Remick
The committee engaged in a discussion about enrollment/retention and the university’s initiatives to help in this area, which include the Center for Excellence in Learning and Teaching and the Science Initiative Task Force. The committee also discussed the Living and Learning communities which is a new program with 21 participants started specifically for freshman students. In the Schools of Graduate and Professional Programs we are looking at the Bachelors Completion Program for adults and the Pathways program along with the Deltak initiative as areas that can help with our enrollment.

5.8 STRATEGIC PLANNING AD HOC COMMITTEE – reported by Mr. Bill Herzog

Bill Herzog spoke on behalf of all the trustees in thanking the employees of Saint Mary’s for the countless hours spent in developing a blueprint for our future with the strategic plan. Special thanks went out to Brother William Mann, Brother Pat Conway, Steve Titus, Donna Aronson and Marcel Dumestre. Based upon the trustees review, a resolution was brought before the board to adopt the strategic plan as presented to the Board of Trustees. (Official Resolutions 3.6) Board Chair Mike Gostomski expressed deep appreciation to Bill Herzog for his assistance in developing the strategic plan.
