

## **Dental Plan**

HealthPartners is the provider for the voluntary dental plan.

The monthly rates as of September 1, 2007 are:

Single	\$24.15
Single + 1	\$43.70
Family	\$75.90

Attached is a summary of benefits for your review. The dental plan with HealthPartners utilizes the HealthPartners Open Access Dental Network. To locate a network provider, you may visit [www.healthpartners.com](http://www.healthpartners.com). Click on Member or Patient, then click on "Find a Healthcare Provider". Then click on "Dental Plans", and "HealthPartners Dental Open Access". From here, you can search by dentist name, zip code, or city. You are also encouraged to check with your current dentist to verify that they participate in the HealthPartners Open Access Dental Network.
