It is recommended, but not required, that students take the following course(s) at RCC:		
BIOL 1091 General Biology I	3	B212 General Biology I: Cellular and Molecular Biology AND B223 Biology Lab Experience
BIOL 1092 General Biology II	3	B214 General Biology II: Form and Function of Animals and Plants

Students may transfer an unlimited amount of credit from Riverland Community College into Saint Mary's University of Minnesota. Upon transferring into Saint Mary's, students are required to meet all graduation requirements. The courses listed above meet specific requirements of the Chemistry program, and are part of the RLCC/SMUMN transfer pathway. Students are strongly encouraged to meet with a Saint Mary's adviser to discuss how to optimize transfer credit. All courses must be completed with a C- or better to transfer, however the first three courses above must be completed with a C or better to count towards the Biochemistry major at Saint Mary's.
