### Calculations for Measures

MEASURE	DESCRIPTION AND HOW IT WAS CALCULATED
Graduation Rate 4 year	Based on first-time, first year students entering in fall 2016 who declared a specific business major by the 10th day of their third year at the university. Students were counted as part of the graduation rate if they earned a degree in the specified business major in 4 years or less
Graduation Rate 6 year	Based on first-time, first year students entering in fall 2016 who declared a specific business major by the 10th day of their third year at the university. Students were counted as part of the graduation rate if they earned a degree in the specified business major in 6 years or less.
