

# Saint Mary's University of Minnesota • SKI TRAILS

Trails are reserved for nordic skiing from December 1st to March 1st. No snowshoeing or hiking is allowed on the trails during these months. No dogs or bikes are allowed on the trails.

Available trail segments may vary depending on snow conditions and grooming. Trails are occasionally used for ski races. Please be mindful of racing skiers during these times.

Elevation of 5 Kilometer Loop

Trail map project funded in dedication to Dr. Richard Jarvinen.
