| Since the program requires a master's degree for admission, there is no provision for transfer of master's level coursework into the doctoral program. Students who have completed doctoral level coursework at a regionally accredited institution may petition for transfer of up to 12 semester credits, subject to the recommendation of the Program Director and the approval of the Associate Dean. Transfer credits may not have been used as part of a conferred graduate degree, and must be completed with a grade of "B" or higher. |  |  |
