Schools of Graduate and Professional Programs**

| <b>Graduation Rates</b>                      |     |
|--|-----|
| <b>Five-year Graduation Rate<sup>1</sup></b> |     |
| Undergraduate Certificate Programs           | -   |
| Bachelor Completion Degree Programs          | 60% |
| Graduate Certificate Programs                | 65% |
| Master Degree Programs                       | 65% |
| <b>Ten-year Graduation Rate<sup>2</sup></b>  |     |
| Doctoral Degree Programs                     | 45% |

<sup>1</sup>Five-year graduation rate is based on the number of students entering a new program of study in academic years 2018-19, 2019-20 and 2020-21 earning their degree in the program within five years.

<sup>2</sup>Ten-year graduation rate is based on the number of students entering a new doctoral program in academic years 2013-14, 2014-15 and 2015-16 earning their degree in the program within ten years.

\*There are currently no five-year graduation rates to report for undergraduate certificates.
