Materials Required for Application

1. Include a typewritten response not to exceed one to two pages in length addressing the following:
 - a. *Required:* How will completion of the M.S. in Clinical Psychology program at Saint Mary's University of Minnesota address and further your educational and professional goals?
 - b. *Optional:* If applicable, please describe any of the following that relate to your background, and how these experiences have shaped your educational and professional goals:
 - i. Your role as a woman religious, priest, deacon, ordained clergy, or other consecrated person in ministry
 - ii. Volunteer work or employment in Catholic settings (parishes, schools, hospitals, charitable organizations, etc.)
 - iii. The nature and duration of your service or ministry

Please note: While prompt 'b' is not required, preference will be given to applicants with relevant experience in Catholic ministry or service according to eligibility criteria of this scholarship. If you do not have experience in this area, you may leave prompt 'b' blank, or briefly describe other faith-based or community service experiences that have influenced your academic pursuits.
